## About Chuck:

Chuck Chugumlung is a multi-disciplinary Creative Director with over 15 years of graphic design and animation experience. Specialties include UI/UX design, branding, creative management, digital media, and 2d/3d motion graphics.

Chuck has received several honors in Art Direction, including notable mentions in the Hollywood Reporter Key Art Awards for interactive film marketing projects.

Portfolio clients include Walt Disney Pictures, Universal Pictures, Warner Brothers, Paramount Studios, Nickelodeon Animation Studios, Home Shopping Network, Mercedes Benz, Microsoft, and Intel.

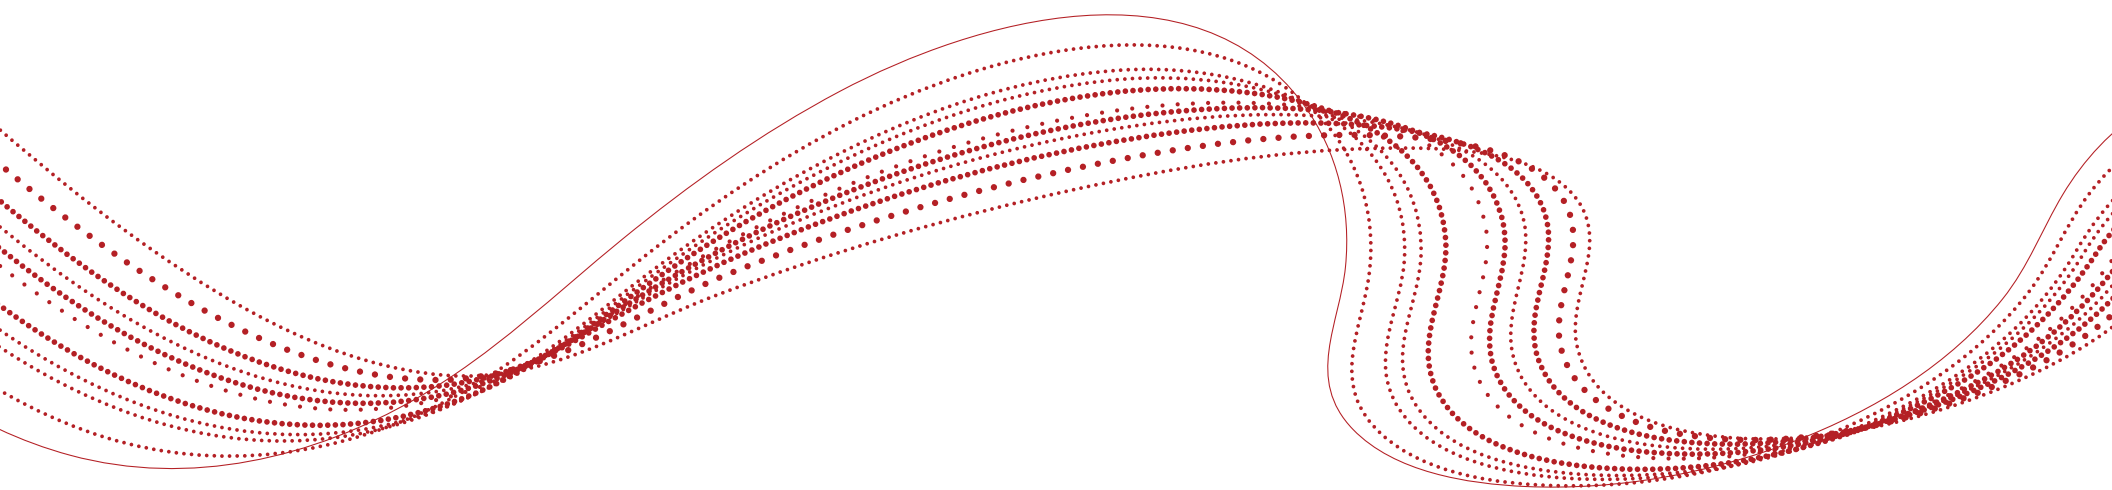

In October 2013, Chuck and his team won first place at the Microsoft sponsored Developers Week Hackathon in Playa Vista. In Spring of 2014, he ran "Game Hack", a code camp and hackathon at Nickelodeon Studio in Burbank focusing on S.T.E.M awareness (Science, Technology, Engineering and Math) to benefit the local Community YMCA.

Chuck graduated Art Center College of Design in Pasadena, California, BFA with Honors. A strong believer in giving back, his continued involvement with the school includes mentoring, conducting student portfolio reviews, and speaking engagements focused on practical design theory and practices. He is currently co-organizer for Innovate Pasadena's "DesignX" meetup. On his off time, he enjoys woodturning and is currently working on a new body of hollow-form art pieces.
